Presence of an active Student Council & representation of students on academic & Administrative bodies/committees of the institution ( 2017-18)

College creates a platform for the active participation of the students in the various academic & administrative bodies including other activities. This empowers the students in gaining leadership qualities, rules, regulations and execution skills. The college has organized various sports and cultural activities as follows.

**Its selection, constitution, activities and funding:**

- Each council has a representative council, which is called Class Committee and includes student members too.
- The student members bring forward the views and suggestions of the entire class with respect to the faculty, subjects, syllabus and other things related to the class.
- The composition of student members is of one topper, one average and one slow learner (the one who has more integrity with other students) of each section are nominated as class representatives, for all the sections from I Year to Final Year.
- The Student Council helps students share ideas, interests, and concerns with lecturers and principal. They often also help raise funds for -wide activities, including social events, community projects, helping people in need and college reform.
- Various programs like paper presentations, workshops and seminars are organized by these bodies every year.

**We have formed 6 student committees such as:**

- Library committee
- College Academic committee
- Discipline & Anti-Ragging Committee
- Sports & Games Committee
- Health & Public Awareness Committee
- Technical Event Committee

The funding for various activities of the internal college bodies is provided by the College Management.

**Presence of an active Student Council & representation of students on academic & Administrative bodies/committees of the institution (2014-15)**

Karmaveer Bhaurao Patil College of Engineering & Polytechnic Satara creates a platform for the active participation of the students in the various academic & administrative bodies including other activities. This empowers the students in gaining leadership qualities, rules, regulations and execution skills. The college has organized various sports and cultural activities as follows.

**Its selection, constitution, activities and funding:**

- Each council has a representative council, which is called Class Committee and includes student members too.
- The student members bring forward the views and suggestions of the entire class with respect to the faculty, subjects, syllabus and other things related to the class.
- The composition of student members is of one topper, one average and one slow learner (the one who has more integrity with other students) of each section are nominated as class representatives, for all the sections from I Year to Final Year.
- The Student Council helps students share ideas, interests, and concerns with lecturers and principal. They often also help raise funds for -wide activities, including social events, community projects, helping people in need and college reform.
- Various programs like paper presentations, workshops and seminars are organized by these bodies every year.

**We have formed 7 student committees such as:**

- College Academic committee
- Discipline & Anti-Ragging Committee
- Sports Committee
- Health Awareness Committee
- Technical Event Committee
- Cultural Event Committee
- Social Activity Committee

The funding for various activities of the internal college bodies is provided by the College Management.
