Auditor's Report

Principal

Karmveer Bhaurao Patil College of Engineering, Satara

We have made Green Audit of the Karmveer Bhaurao Patil College of Engineering, Satara as of 2017-18 on the basis of three basic criterion Environmental Policy adopted by the college, Environment Programmes and Linkages and Environment Practices. These basic things are the responsibility of the college. Our responsibility is to express an opinion on these things.

We have audited the accompanying Green Audit statements of Karmveer Bhaurao Patil College of Engineering, Satara which comprise the criterion wise report as of 2017-18. Those standards require that we plan and perform the audit to obtain reasonable assurance about the Environmental Protection and conservation and information provided in the report free from material misstatement. An audit includes examining on a test basis evidences supports the statements and also includes assessing the aspects which are related to environment in the premises of the college. The role of teaching, non teaching staff students and stakeholders with respect to environment of the premises and social responsibility is taking into account. The procedure selected depends upon the auditor's judgments. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

In our opinion the statements referred to above presents fairly evidences and in all criteria respect the environmental conditions during the year and functioning and execution of the various programme is strengthen. College accepted the generally accepted green auditing standards and contributing in improving the environmental conditions.
