Presence of an active Student Council & representation of students on academic & Administrative bodies/committees of the institution ( 2018-19)

College creates a platform for the active participation of the students in the various academic & administrative bodies including other activities. This empowers the students in gaining leadership qualities, rules, regulations and execution skills. The college has organized various sports and cultural activities as follows.

**Its selection, constitution, activities and funding:**

- Each council has a representative council, which is called Class Committee and includes student members too.

- The composition of student members is of one topper, one average and one slow learner (the one who has more integrity with other students) of each section are nominated as class representatives, for all the sections from I Year to Final Year.
- The Student Council helps students share ideas, interests, and concerns with lecturers and principal. They often also help raise funds for -wide activities, including social events, community projects, helping people in need and college reform.
- Various programs like paper presentations, workshops and seminars are organized by these bodies every year.

**We have formed 6 student committees such as:**
