

Karmaveer Bhaurao Patil College of Engineering Satara

Department of Computer Science and Engineering

Course: Big Data Analytics [BTCOE702]

Class: B.Tech CSE 2021-22 SEM I

Activity Based Learning

Name of the activity: Library Activity

Date of conduction: 29 November 2021

Details of the activity:

Students were taken to the Library and they were given an assignment of finding the latest updates in Big data Analytics in online and offline technical journals available in our central college library.

Number of students Participated: 30

Learning Outcome:

Students Learnt details of various technical journals available in the library and they understood the relevance of Big Data Analytics in current research. Students Submitted the articles based on their reading during this hour. Group learning help to boost the interest in said activity.
