Innovative Pedagogical Activities

Course: Big Data Analytics   Course Code: BTCOE702

Pedagogy refers to a student centered **teaching** and learning (SCL) approach where educators are reflective in their theory, practice and policy implementation in **teaching**/learning, resulting to positive impacts in the learners.

Having a well-thought-out **pedagogy** can improve the quality of your **teaching** and the way students learn, helping them gain a deeper grasp of fundamental material. Being mindful of the way we **teach** can help us better understand how to help students achieve deeper **learning**.

Keeping in mind the importance of pedagogical approach we designed a pedagogy activity for the students. Pedagogy activity was posted on Google Classroom and sufficient time was given to the students to solve the activity.

Following are the day wise details of pedagogy activities conducted during the refresher program :

Pedagogy Activities Details:

Sr. No	Name of the Activity	Unit	WhatsApp/ Online/offline	No of Students Successfully Completed
1.	Library Activity	All Unit	Offline at College Library	30
2.	WordWall Activity	4	Google Meet	55
3.	Gigsaw	1,2,3,5	Offline at College	60

Innovative Tools: Wordall.com, Quizziz.com, Google Form,Jam board,animated Videos, PPT's, Google Meet
