Karmaveer Bhaurao Patil College of Engineering Satara
Department of Computer Science and Engineering
Course: Machine Learning   **Class: TYCSE 2021-22 SEM II**

Activity Based Learning
Name of the activity: Library Activity
Date of conduction:22 Nov 2021

Details of the activity:

Students were taken to the Library and they were given an assignment of finding the latest updates in Machine Learning in online and offline technical journals available in our central college library.

Number of students Participated: 54

Learning Outcome:

Students Learnt details of various technical journals available in the library and they understood the relevance of machine learning in current research.

Students Submitted the articles based on their reading during this hour.

Group learning help to boost the interest in said activity.
