OUR MISSION & VISION

Vision:-

To be a distinguished department offering innovative education in Computer Science and Engineering and pursuing research in its sub-areas to cater to the industry and society's ever growing needs.

Mission:-

M1: To impart quality education in Computer Science and Engineering to prepare the graduates to satisfy the challenging needs of the IT industry.

M2: To Provide the research facilities to generate knowledge and develop technologies in the thrust areas of Computer Science and Engineering.

M3: To Develop linkages with academic organizations and industries to strengthen industryacademia relationships for mutual benefits

*"Learning gives creativity,
creativity leads to thinking,
thinking provides knowledge,
and knowledge makes you great."*
