The Rayat Shikshan Sanstha was established by **Late Padmabhushan Dr. Karmaveer Bhaurao Patil** in 1919, is one of the leading educational organization in South Asia. The value of its contribution to education in general is enormously great, as it has from the very beginning tried all its best to lay emphasis on the education of the downtrodden, the poor and ignorant that really forms the majors bulk of our society. Late Dr. Karmaveer Bhaurao Patil was Man of Masses who devoted all his mind and heart for the cause of their education. He had incisive understanding of the social ills that beset has times and had fully realized the dire need of the spread of education. He believed that education alone could eradicate illiteracy, untouchability, caste-hierarchy, money lending, superstitions, social and economic inequality. So he started the “Earn and Learn” scheme which has been recognized as an unique tool for mass education.

The Rayat Shikshan Sanstha has a record history of establishing Six Hundred Seventy Two (672) educational institutions imparting education from the pre-primary level to the post graduates stage in different disciplines. These educational institutes which have acclaimed academic excellence to cater the educational needs of thousands of students coming from different parts of the country.

The spectacular success achieved by Rayat Shikshan Sanstha is mainly the result of extraordinary foresight, exceptionally dynamic leadership and able guidance of the founder Dr. Karmaveer Bhaurao Patil. The Govt. of India honored him with “Padmabhushan” and University of Poona conferred on him D.Litt. for his contribution to the society.

From Principal's Desk

I am proud of being the Principal of such a wonderful institution belonging to the biggest educational organization, "Rayat Shikshan Sanstha", dedicated to the causes of better India. Rayat Shikshan Sanstha is celebrating its Centenary Year through education and their real empowerment of the society as whole, which is pride land mark in the history of any educational organization.

The college has the privilege of having a healthy, harmonious ambience and rich values which have played pivotal role in shaping the future of innumerable students. Our mission is to transform students into rational thinkers, competent workers, law abiding citizens and spiritually enlightened individuals. This is my firm belief that the rich values and traditions imbibed here would carry us to the greater heights.

Empowerment of students for their all round development through education is our cherished motto. Today education means much more than merely acquiring knowledge. It is acquisition of knowledge and skills, building character and improving employability of our young talent; the future leadership.

I am sure that Rayat Culture is a strong foundation, which is painstakingly and gainfully developed will achieve the education objectives for a stronger and brighter India.

Come on, let's give our best and make this institution a modern temple of learning through our diligence, devotion and dedication.

From Dean Students Development Dest

Dear Students,

Being curious and young minds aspiring to acquire a professional qualification, you are obviously committed to your studies. The management, all faculties, and staff of the Karmaveer Bhaurao Patil College of Engineering, Satara Institute are committed to supporting you in excelling in your studies.

Students are the future of the nation. You, as excellent and bright engineers, are supposed to serve for the country, for society. The Office of the Dean Student Development team is committed to your overall development and to shape you as responsible citizens by making you aware of your social responsibilities, human values, and ethics through various activities and programs.

We promote sports along with other co-curricular and extracurricular activities to develop leadership qualities, team culture and communication skills, and overall personality development.

By encouraging participation in various events and competitions, our cultural activity wing provides a platform to showcase your skills in performing arts and other areas of arts and theatre.

The technical activity wing conducts events such a Quest paper presentation, Technothon etc., which help you sharpen your technical skills.

In NSS unit, our student volunteers regularly contribute to various social activities such as blood donation, tree plantation, etc. Such activities make young students aware of their responsibilities towards society.

The clubs like Music and Arts , Photography, Sports, Cyber Security, Human and Ethical Values, Communication and Personality development, Social and Environmental, Career Development Cell, Entrepreneurship Development Cell (EDC), TEDx ,Symposium are instrumental in inculcating various skillsets to plan and better your opportunities for the successful career.

The students are encouraged to take part in seminars and workshops that are regularly conducted at the institute and also to present their research work at national and international seminars and conferences. Our students also benefit from an excellent network of alumni in the corporate sector and reputed academic and research institutions.

We encourage you to come forward and participate in the activities of your choice. You will find the team of able and dedicated faculties of KBPCOES to your support.

Dr. Shabina Sayyed-Modi
