**REPORT OF**  
**ONE DAY WORKSHOP**  
**ON**  
**AN ENHANCING SKILL FOR EMPLOYABILITY**

Date 26/7/2016

Department of English, organised One Day Workshop on Enhancing the Skill for Employability on 26<sup>th</sup> July, 2016 at Shripatrao Kadam College, Shirwal. A professional co-ordinate trainer Mr. Anuj Sharma was the chief speaker of the workshop and Prin. Dr.N.S.Gaikwad was the Chairperson, who spared the time for the development of students. Students of all streams attended the programme. Mr. Anuj Sharma revived the government scheme under Gyan Vishwam. He imparted the challenges that India face in employment by uttering the survey of social media. He continued saying how India produces 50 lakh graduates every year. But unfortunately 50% of graduates do not appear suitable for the skilled job. According to Aspiring Minds National Employability Report, which is based on a study of more than 1,50,000 engineering students who graduated in 2015 from over 650 colleges, 80% of the them are unemployable. With the help survey of social medias, Anuj Sharma emphasised how students fail to achieve higher skilled job because of lack of employability skill. Many students fail to achieve good communication skill as only 7% students are actual employable. The chief speaker pointed out the reasons behind the unsuccess. The reasons are lack of communication skill and interview skills and confidence. Many candidates do not know how to set goals and not upgrading skills. He delivered the mantra of how to beat the competition in any stage and become highly successful.

The workshop was arranged to fulfil the same zest of students in auspicious presence of Mr. Avinash Wadkar, Global Computers, Shirwal. Mr. Anuj Sharma, shared the tips of interview skills that could make students capable to get any job. He emphasized the need of good communication skill that can sail the boat of evryone to success shore. Simultaneously, he expressed meed of Goal Setting, which is essential for success story. He exemplified this skill by imparting various events that could help students to brood over shoert-comings of life. His attention was to Stress-management also which can be also handled with efforts. Balanced stress may lead to be a successful leader of any organization. He shared tips of stress-management. His concluding lecture concentrated on "Self-confidence" and "Motivation-building" which is the base of all mind-set. He showed some motivational videos with illustration that boosted students' mind. Both these skills are the success mantra of perfect life.

The whole workshop was divided in three sections. All plenary session were conducted by mr. Anuj Sharma. The Valedictory Session was chaired by Prin. Dr. N.S Gaiwad . He lightened the mind of young generation by sharing ideas regarding communication skills. He shared his own experiences in light of efforts. According to him, success will be not far away from everyone if given 100% energy. Dr. Savita Kothawale delivered introductory note and programme ended with vote of thanks by Prof. T.S. Deokule. Many students, professors were present for the workshop.
